Looking Back: December Highlights

🎄 NECANN Christmas Meeting – 4th December 2025 🎄

Our festive face-to-face meeting at Irwin Mitchell's Newcastle office was a wonderful success! Thank you to everyone who joined us to celebrate the season of giving.

A special thank you to Amy from Daisy Chain for sharing the incredible work their charity does across the region. Your insights inspired us all to think about how we can support their mission in 2026.

Light refreshments, networking, and plenty of Christmas cheer made it a memorable event!

Why NECANN is the Gift that Keeps on Giving

We know it is another 11 months away but we would like to do something different for Christmas 2026 – maybe a small Christmas fayre/ event- we need to plan ahead to get this up and running in time.

NEXT MEETING March 2026- date to be confirmed ASAP and ideally in person.

Activity Alliance

Activity Alliance is the leading voice for disabled people in sports and activities. Established in 1998 as a national charity, we were previously known as the English Federation of Disability Sport.

“We all belong in sports and activities. Yet many disabled children and adults don’t feel that they do. At school, in the local park or working out in a nearby gym, we all have the right to welcoming, inclusive, and accessible opportunities. The right

to choose how we want to be active. Be that taking part, spectating, employment or volunteering.” Honorary President, Tanni, Baroness Grey-Thompson

Government launches national conversation on SEND Reform

The Schools White Paper will be published early next year and will set out our proposed reforms to the SEND system. Building on extensive engagement over the past year, the Department for Education has launched a national conversation on SEND reform.

DfE wants to hear views, experiences and insights from as many people as possible in the coming months. The national conversation encourages everyone from parents to those working in schools, colleges and early years to get involved and help build a consensus on what works to help deliver lasting reform. Every voice will help shape the system our children and young people deserve.

This will be followed by a period of formal public consultation and further engagement following publication of the Schools White Paper early next year.

How you can get involved
